## Subject Index

### Accidental falls

Using infrared scanning to decrease nighttime falls on a psychogeriatric unit, Jan 79-81

### Accreditation, standards

Accreditation, certification, and the quality of care in state hospitals, July 739-742

### Hospital and Community Psychiatry

Accreditation surveys (letters, reply), Nov 1211-1213  
 Accreditation surveys: nit-picking or quality seeking? (taking issue), July 707  
 CMHC standards (letter), July 788  
 Highlights of the 39th Institute on H&CP (special report), Feb 129-133  
 Many nursing homes found not in compliance with federal standards for patient health, safety, Feb 211-212  
 New rules exclude mentally ill, retarded from nursing homes, Apr 452-453  
 Quality assurance in mental health care, Dec 1286-1290

#### Achievement Awards

Accessible psychiatric outpatient treatment for veterans—Veterans Integrated Community Care Program, Veterans Administration Medical and Regional Office Center, White River Junction, Vermont, Nov 1200-1201  
 An alternative to state hospitalization for seriously disturbed teenagers—Regional Adolescent Treatment Program, Victor Residential Center, Inc, Stockton, California, Nov 1197-1198  
 Applications invited for 1989 awards, Nov 1195  
 Asking the patient about abuse and neglect—Five-Point Plan, Las Vegas (NM) Medical Center, Nov 1202  
 Assertive at-home case management for impaired elderly persons—Elderly Services Program, Spokane (Wash) Community Mental Health Center, Nov 1201-1202  
 Developing untapped abilities among chronic mentally ill individuals—Denver (Colo) Center for Mental Health Services, Nov 1198-1199  
 Gold Award: A regional resource for psychiatric treatment of victims of violence—Victims of Violence Program, Department of Psychiatry, Cambridge (Mass) Hospital, Nov 1192-1195  
 The 1988 H&CP achievement award winners, Nov 1193  
 A respite residential service for geographically dispersed outpatients—Community Support Program, Bristol Bay Area Health Corporation, Dillingham, Alaska, Nov 1196-1197  
 Straightforward guides to community mental health and related services—Project ACCESS, Mental Health Association of Southeastern Pennsylvania, Philadelphia, Nov 1199-1200

#### Acquired immune deficiency syndrome (AIDS)

AHA opposes routine testing of patients for AIDS, reaffirms use of universal precautions, Sept 1008-1009  
 AIDS, psychiatry, and the law (law & psychiatry), Jan 13-14  
 American Psychiatric Association issues two policies on AIDS, Mar 328-329  
 APA guidelines cover AIDS precautions in outpatient services, HIV-infected psychiatrists, Dec 1317  
 Components and structure of attitudes toward AIDS, Dec 1306-1308  
 Confining AIDS patients (letter, reply), June 671

Counseling for HIV testing, July 731-739  
 Highlights of the 39th Institute on H&CP (special report), Feb 129-133  
 Knowledge about AIDS among psychiatric inpatients, Sept 986-988  
 A model for implementing AIDS education in a drug abuse treatment setting, Aug 886-888  
 Patients at risk for HIV (letter), Dec 1311-1312  
 Practices reported by incarcerated drug abusers to reduce risk of AIDS, Sept 966-972  
 Psychiatric aspects of treatment of IV drug abusers with AIDS, Apr 439-441  
 A psychoeducational group for HIV-positive patients on a psychiatric service, July 776-777  
 Response of HIV-related depression to psychostimulants: case reports, June 628-631  
 Services for AIDS patients (letter), Nov 1214  
 States must lead fight against AIDS but are slow to implement overall policies, report says, Mar 327-328

#### Activities of daily living

Assessing the patient's functional performance (occupational therapy update), Sept 935-936  
 Occupational therapy: functional assessment of the severity of mental disorders (interdisciplinary update), Feb 140-142  
 Training chronic mental patients to independently practice personal grooming skills, Aug 874-879

#### Affective disorders

Arkansas appeals court rules bipolar disorder a physical illness under health insurance policy, Apr 453-454  
 Arkansas insurer acts to limit coverage of mental illnesses, Dec 1318  
 Depression and hypertension (letter), Nov 1213-1214  
 Depression in schizophrenia, Dec 1269-1275  
 The impact of coexisting depression and timing of psychiatric consultation on medical patients' length of stay, Feb 173-176  
 Managing depressive symptoms after the onset of leukemia (treatment planning), June 610-611  
 A model for predicting depression in elderly tenants of public housing, Mar 304-309  
 NIMH public information campaign seeks to increase recognition, treatment of depression, July 796-797  
 Overlapping symptoms of geriatric depression and Alzheimer-type dementia, Oct 1074-1079  
 Response of HIV-related depression to psychostimulants: case reports, June 628-631  
 Risk for depression in families over time: a pilot epidemiologic study, Jan 58-62  
 The role of social factors in affective disorders: a review, Aug 842-851  
 Schizophrenic woman on neuroleptic medication suffers secondary depression (treatment planning), Jan 24-27  
 Symptoms and functioning of patients with bipolar disorder six months after hospitalization, June 652-657

#### Aftercare

Nurse therapists provide at-home aftercare (ideas), Apr 468

#### Alcohol abuse, treatment

Alcoholism as a cause of psychopathology (alcohol and drug abuse), Apr 352-354  
 Increased drinking and the farm crisis: a preliminary report, Mar 315-316  
 An overview of psychiatric treatment approaches to three offender groups, Feb 151-158  
 Use of psychotropic drugs in alcoholism treatment: a summary (alcohol and drug abuse), Dec 1251-1252, 1255  
 VA definition of alcoholism upheld by Supreme Court, July 797-798

#### American Psychiatric Association

American Psychiatric Association issues two policies on AIDS, Mar 328-329  
 APA guidelines cover AIDS precautions in outpatient services, HIV-infected psychiatrists, Dec 1317  
 APA spearheads planning for sixth annual mental illness awareness week, October 2-8, Aug 899-900  
 Busse, Waggoner, NAMI among those honored by APA in awards presentation in Montreal, June 680-682  
 Don Hammersley: a career of quiet accomplishment (appreciation), Jan 9-10  
 Paul Fink assumes presidency of APA; Herbert Pardes chosen president-elect, June 679-680; correction, Sept 998

#### Antidepressive agents

Use of antidepressants in attempted suicide, Sept 990-992

#### Anxiety disorders

Mitral valve prolapse and the anxiety disorders, May 517-527  
 Recent advances in the psychopharmacological treatment of anxiety disorders, Nov 1157-1165

#### Appreciation to reviewers

Appreciation to reviewers, Dec 1259-1265

#### Arrest rates. See Crime

#### Attitudes

APA spearheads planning for sixth annual mental illness awareness week, October 2-8, Aug 899-900  
 Autonomy and the right to refuse treatment: patients' attitudes after involuntary medication, Oct 1049-1054  
 Components and structure of attitudes toward AIDS, Dec 1306-1308  
 Consumers speak (letters, reply), Aug 890-891  
 Flawed survey (letter, reply), Mar 317-318  
 Mental health staff and patient's relatives: how they view each other, Jan 63-68  
 Psychiatrists' attitudes toward preventive intervention in routine clinical practice, June 637-642  
 Variation in the self-concept of young adult chronic patients: chronicity reconsidered, July 771-775

**Audiovisuals.** See Reviews, audiovisuals

**Behavior therapy**

Behavior modification (letter), Dec 1311  
Dice therapy: deterring suicidal behavior by a borderline patient, Sept 992-994

**Books.** See Reviews, books

**Brain mapping**

Modern perspectives on epilepsy in relation to psychiatry: classification and evaluation, Mar 263-271  
Update on brain imaging (NIMH report), Sept 933-934

**Burns**

Stress and coping in relatives of burn patients: a longitudinal study, Feb 159-166

**Calendar**

Calendar of mental health activities, Jan 28-29, Feb 143-144, Mar 260-261, Apr 376, 381, May 489, 495, June 612-613, July 726-727, Aug 832-833, Sept 938-939, Oct 1046-1047, Nov 1153-1154, Dec 1266-1267

**Cancer**

Managing depressive symptoms after the onset of leukemia (treatment planning), June 610-611  
Physical and psychological problems associated with exposure to diethylstilbestrol (DES), Jan 73-77

**Capitation financing, fees**

Capitation financing for the chronic mentally ill: a case management approach, Jan 68-72; correction, Mar 309  
Defining and pricing psychiatric care "products" (economic grand rounds), Apr 372-375  
HMO utilization and costs (letters, reply), July 784-786  
Limitations on HMO services and the emerging redefinition of chronic mental illness (economic grand rounds), Feb 137-139

**Case management.** See Patient care planning

**Child abuse**

A regional resource for psychiatric treatment of victims of violence, Nov 1192-1195

**Child abuse, sexual**

Prevalence of a history of sexual abuse among female psychiatric patients in a state hospital system, Mar 300-304  
A regional resource for psychiatric treatment of victims of violence, Nov 1192-1195

**Child psychiatry, adolescent psychiatry**

An alternative to state hospitalization for seriously disturbed teenagers, Nov 1197-1198  
Care of children with psychiatric disorders at community hospitals, Feb 167-172  
Community interventions for juvenile fire-

setters: a survey of two national programs, Sept 973-979

A continuum of mental health care for children and adolescents, Aug 870-873

Federal rules for determining childhood disability too restrictive, appeals court says, Oct 1117

Homeless adolescents: a hidden crisis (taking issue), May 475

Inpatient psychiatric services for mentally retarded children, June 662-663

NIMH reports 14 percent drop in number of residential treatment centers for children, Nov 1224

Psychiatrists' attitudes toward preventive intervention in routine clinical practice, June 637-642

**Chronic patients**

Arrest rates among young adult psychiatric patients treated in inpatient and outpatient settings, Jan 52-57

Brokering medical care for chronic mental patients (ideas), Apr 468

Case management: a dissenting view (taking issue), Sept 921

Characteristics of state hospital patients who are hard to place, Feb 181-185

A citizens' coalition in mental health advocacy: the Maryland experience, Sept 959-962

Community mental health centers and other semantic concerns (chronic patient), June 605-606

Defining chronic mental illness: a concept paper, Apr 383-388

Deinstitutionalization at the crossroads, Sept 941-945

Deinstitutionalization (letter, reply), Apr 442-443

Developing untapped abilities among chronic mentally ill individuals, Nov 1198-1199

Disability and welfare benefits for young adult chronic patients, Oct 1104-1106

Effects of a patient education program in the treatment of schizophrenia, Mar 282-286

Families' perceptions of burden of care for chronic mentally ill relatives, Dec 1296-1300

Five programs for the chronic mentally ill get foundation grants, May 574

Housing the homeless mentally ill: a longitudinal study of a treatment approach, Jan 40-45

Impact of community-based psychosocial treatment on clients' level of functioning, May 550-553

Integrating state hospital and community-based services for the chronic mentally ill, May 553-555

Length of hospitalization (letter), July 787-788

Limitations on HMO services and the emerging redefinition of chronic mental illness (economic grand rounds), Feb 137-139

Misconceptions about use of case management services by the chronic mentally ill: a utilization analysis, Dec 1276-1280

Assessing competency in the physically ill: guidelines for psychiatric consultants, Aug 856-861

The impact of coexisting depression and timing of psychiatric consultation on medical patients' length of stay, Feb 173-176

Providing culturally sensitive care: intervention by a consultation-liaison team, Feb 200-202

#### Consumer participation

A citizens' coalition in mental health advocacy: the Maryland experience, Sept 959-962

Consumers speak (letters, reply), Aug 890-891

Flawed survey (letter, reply), Mar 317-318

Giving patients a voice (letter), Apr 443

Mental "health" and mental "illness" (taking issue), Mar 239

Mental illness: NAMI's view (letter, reply), Sept 994-995

Straightforward guides to community mental health and related services, Nov 1199-1200

#### Corrections

For Harris M, Bergman HC, Capitation financing for the chronic mentally ill: a case management approach, Jan 68-72, see correction, Mar 309

For Highlights of the 39th Institute on H&CP (special report), Feb 129-133, see Outpatient commitment (letter), Aug 892

For House committee finds NIMH crippled by cuts in spending and staffing since 1980, July 795-796, see correction, Aug 855

For Paul Fink assumes presidency of APA; Herbert Pardes chosen president-elect, June 679-680, see correction, Sept 998

#### Counseling

Counseling for HIV testing, July 731-739

Nally II: further clarification of clergy malpractice (law & psychiatry), Oct 1041-1043

#### Crime

Arrest rates among young adult psychiatric patients treated in inpatient and outpatient settings, Jan 52-57

Arrest rates of patients treated at a community mental health center, Aug 862-866

Clinical perspectives on elderly first-offender shoplifters, June 648-651

Criminal activity among the homeless: a study of arrests in Baltimore, Jan 46-51

#### Crisis intervention

A failed replication (letter), June 670

A regional resource for psychiatric treatment of victims of violence, Nov 1192-1195

Residential crisis services: a review, Oct 1095-1099

#### Cross-cultural issues

Behavior modification (letter), Dec 1311

Mental health needs of Vietnamese refugees, Apr 435-437

Mental illness complicated by the santeria belief in spirit possession, Nov 1188-

1191

Posttraumatic stress disorder in a Central American refugee, Dec 1309-1311

Providing culturally relevant mental health services for Central American immigrants (social work update), Nov 1139-1140, 1144

Providing culturally sensitive care: intervention by a consultation-liaison team, Feb 200-202

**Dangerous behavior.** Also see Violence, aggression

Institutional response to inpatients' threats against the President, Nov 1166-1171

Multifaceted therapeutic interventions with the violent psychiatric inpatient, Aug 867-869

Planning a psychiatric intensive care unit, Jan 81-83

Predicting assaultiveness in psychiatric inpatients: a pilot study, Apr 429-434

Psychiatrists' accuracy in predicting violent behavior on an inpatient unit, Oct 1090-1094

Toward a rational pharmacotherapy for aggressive and violent behavior, Jan 31-39

#### Definition of mental illness

Consumers speak (letters, reply), Aug 890-891

Defining chronic mental illness: a concept paper, Apr 383-388

Flawed survey (letter, reply), Mar 317-318

Limitations on HMO services and the emerging redefinition of chronic mental illness (economic grand rounds), Feb 137-139

Mental "health" and mental "illness" (taking issue), Mar 239

Mental illness: NAMI's view (letter, reply), Sept 994-995

Patient or client? (taking issue), Dec 1247

#### Deinstitutionalization

Deinstitutionalization (letter, reply), Apr 442-443

Deinstitutionalization at the crossroads, Sept 941-945

Fiscal incentives to development of services in the community (economic grand rounds), June 595-597

Nursing homes are *not* the answer (taking issue), Feb 115

Nursing homes (letter), Sept 997-998

A psychosocial approach to deinstitutionalization, Dec 1308-1309

A ten-year follow-up study of the effects of deinstitutionalization, Mar 287-291

#### Dementia

Cognitive deficits among aging schizophrenic patients residing in the community, May 557-559

Dementia research in the nursing home (ethics), Mar 257-259

A multidisciplinary approach to primary degenerative dementia (treatment planning), Nov 1145-1148

NIH consensus conference stresses need to identify reversible causes of dementia (NIMH report), Jan 22-23

Overlapping symptoms of geriatric depression and Alzheimer-type dementia, Oct

1074-1079

Treatment of the agitated demented elderly patient (psychopharmacology), Nov 1143-1144

Use of services by cognitively impaired elderly persons residing in the community, May 555-557

#### Diagnosis

The clinical use of EEG in a general psychiatric setting, May 533-536

Depression in schizophrenia, Dec 1269-1275

Diagnosing drug dependency (letter, reply), Sept 995-996

### Spouse abuse

Characteristics of male spouse abusers consistent with personality disorders, July 763-770

### Staff issues, relationships, roles

APA guidelines cover AIDS precautions in outpatient services, HIV-infected psychiatrists, Dec 1317

Assessing the patient's functional performance (occupational therapy update), Sept 935-936

Case management: the need to define goals (interdisciplinary update), May 499-500

CMHC standards (letter), July 788

The couch and the cloth: the need for linkage, Oct 1064-1069

Guidelines for nonprofessionals who receive suicidal phone calls, Mar 310-311

House committee finds NIMH crippled by cuts in spending and staffing since 1980, July 795-796; correction, see Aug 855

Integrating research projects into clinical service settings, Aug 888-890

An interdisciplinary psychoeducation program for schizophrenic patients and their families in an acute care setting, Mar 277-282

Latest NIMH data show full-time staff in mental health organizations exceed 440,000, Jan 95

Management and rehabilitation of sexually exploitive therapists, Oct 1070-1074

Mental health staff and patient's relatives: how they view each other, Jan 63-68

A multidisciplinary approach to primary degenerative dementia (treatment planning), Nov 1145-1148

Occupational therapy: functional assessment of the severity of mental disorders (interdisciplinary update), Feb 140-142

An orientation booklet for new staff members (ideas), Sept 1022

Orienting the staff of a new maximum security forensic facility, July 780-781

Professionals in distress (interdisciplinary update), July 723-725

Providing culturally relevant mental health services for Central American immigrants (social work update), Nov 1139-1140, 1144

A study of whether uniforms help patients recognize nurses, Jan 78-79

### State government

Expenditures and revenues of state mental health agencies, 1981-1985, July 758-762

States must lead fight against AIDS but are slow to implement overall policies, report says, Mar 327-328

### Stress

Advances in understanding the impact of stressful life events on health, June 615-622

Stress and coping in relatives of burn patients: a longitudinal study, Feb 159-166

Stressful events (letter), Sept 998

Stress isn't always bad (taking issue), June 591

### Stress disorders, posttraumatic

Posttraumatic stress disorder in a Central American refugee, Dec 1309-1311

### Substance abuse. Also see Alcohol abuse, treatment

Diagnosing drug dependency (letter, reply), Sept 995-996

A model for implementing AIDS education in a drug abuse treatment setting, Aug 886-888

Cocaine use in a population of drug abusers on methadone, Nov 1205-1207

Practices reported by incarcerated drug abusers to reduce risk of AIDS, Sept 966-972

Psychiatric aspects of treatment of IV drug abusers with AIDS, Apr 439-441

Substance abuse in the elderly: over-the-counter and illegal drugs (alcohol and drug abuse), Aug 822-823, 829

Using group therapy to persuade dual-diagnosis patients to seek substance abuse treatment, Nov 1209-1211

### Suicide, suicide attempts

Characteristics of patients with serious suicidal intentions who ultimately commit suicide, Mar 295-299

Depression in schizophrenia, Dec 1269-1275

Dice therapy: deterring suicidal behavior by a borderline patient, Sept 992-994

Guidelines for nonprofessionals who receive suicidal phone calls, Mar 310-311

Nally II: further clarification of clergy malpractice (law & psychiatry), Oct 1041-1043

Planning a psychiatric intensive care unit, Jan 81-83

Predictors of suicide (letter, reply), Sept 996-997

Use of antidepressants in attempted suicide, Sept 990-992

### Sweden

Treatment, care, and rehabilitation of the chronic mentally ill in Sweden, Feb 190-194

### Thyroid function tests

Thyroid function testing in clinical psychiatry (psychopharmacology), Aug 830-831

### Treatment compliance. See Patient compliance

### US Alcohol, Drug Abuse, and Mental Health Administration

ADAMHA budget tops \$1.5 billion in fiscal 1989, Dec 1318

House committee finds NIMH crippled by cuts in spending and staffing since 1980, July 795-796; correction, Aug 855

An interview with Lewis Judd, MD (NIMH report), May 493-494, 500

Latest NIMH data show full-time staff in mental health organizations exceed 440,000, Jan 95

National plan for schizophrenia research calls for major boost in federal research spending, Apr 451-452

NIH consensus conference stresses need to identify reversible causes of dementia (NIMH report), Jan 22-23

NIMH public information campaign seeks to increase recognition, treatment of depression, July 796-797

NIMH reports 14 percent drop in number of residential treatment centers for children, Nov 1224

NIMH to remain under ADAMHA, Aug 900

1988 federal budget holds line on spending for mental health, substance abuse programs, Mar 329-330

Opinion divided among substance abuse, mental health leaders over NIMH transfer, May 572-573

Reagan's '89 budget includes increased funds for substance abuse and mental health programs, May 573-574

Update on brain imaging (NIMH report), Sept 933-934

### Veterans

Accessible psychiatric outpatient treatment for veterans, Nov 1200-1201

Rates of psychiatric illness higher among Vietnam veterans than among other vets, Oct 1116

VA definition of alcoholism upheld by Supreme Court, July 797-798

### Videotape recording

A video-based program to educate high school students about serious mental illness, Oct 1102-1103

Videotape feedback on an inpatient psychiatric service, July 777-780

### Violence, aggression. Also see Dangerous behavior

Asking the patient about abuse and neglect, Nov 1202

Gallows humor for a scaffold setting: managing aggressive patients on a maximum-security forensic unit, Oct 1085-1090

Multifaceted therapeutic interventions with the violent psychiatric inpatient, Aug 867-869

Orienting the staff of a new maximum security forensic facility, July 780-781

Predicting assaultiveness in psychiatric inpatients: a pilot study, Apr 429-434

Psychiatrists' accuracy in predicting violent behavior on an inpatient unit, Oct 1090-1094

A regional resource for psychiatric treatment of victims of violence, Nov 1192-1195

Successful resolution of threats to a therapist (unusual case report), July 782-783

Toward a rational pharmacotherapy for aggressive and violent behavior, Jan 31-39

### Wit and humor

Comedy as the focus of a day treatment center group (ideas), Nov 1240

Gallows humor for a scaffold setting: managing aggressive patients on a maximum-security forensic unit, Oct 1085-1090
